Sir,

I have the honor to state that the Amildar of the Manjarabad Taluk reports in his No. 151 dated the 22nd September 1921 received with the Saklespur Sub Division Officer's No. 196-21 dated the 8th October 1921 that the Barahazar Santharpane to be celebrated in connection with the ensuing Champa Shasti Festival which will be -- held at Subramanya in the South Canara District, commences -- from the 26th November 1921 and lasts till 15th December 1921 and that an amount of Rs 4419-9-7 is required for expenditure in this connection. A list of rates given by the local merchants of Saklespur is also enclosed. The quantity of provisions required for the current year is calculated on the average of the past 3 years.

2. I have already submitted a report for the orders of Government with my letter No. R.O.C. 484 of 19-20/G1.C. dated the 25th May 1921 in the matter of fixing the allotment for this purpose at Rs 4500/- every year, and the -- orders of Government are awaited. It has been a matter of difficulty to find contractors who feel discouraged by having to wait for a long time in having their claims -- settled

settled, which can only be remedied by sanctioning a greater advance for the purpose. I request therefore, that an advance of Rs. 4500/- may kindly be sanctioned for the purpose subject to adjustment in due course. As already reported in para 10 of my letter No. R.O.C. 484 of 19-20/G1.C. dated the 25th May 1921, two respectable non-official gentlemen will be deputed to supervise the Santharpane.

3. I request permission for myself and the Amildar of the Manjarabad Taluk to proceed to Subramanya on the occasion with the necessary clerical and menial establishment as noted in the margin.

2 Clerks of the Deputy Commissioner's Office.
4 Peons of the District Office.
2 Taluk Gumastas. and
4 peons of the Taluk Office.

4. As the Santharpane is drawing near, I have asked the Sub Division Officer of Saklespur to call for tenders for the supply of provisions and I request that the advance of Rs 4500/- may kindly be sanctioned and communicated to me at an early date.

Proceedings of the Government of H. H. the Maharaja of Mysore.

Read:--

Letter No.R.O.C.484 of 21-22 dated --- 26th October 1921, from the Deputy Commissioner, Hassan District, requesting that an advance of Rs.4,500/- may be sanctioned for incurring expenditure on account of the Barahazar Santarpane to be celebrated at Subramanya during the Champa Shasti Festival in -- 1921.

Order No: 2328-9/Mus 265-21-2

Dated Bangalore, 9th November 1921.

The Deputy Commissioner states that the Barahazar Santarpane to be celebrated in connection with the ensuing Champa Shasti - Festival, which will be held at Subramanya - in the South Canara District, commences this year ~~1921~~ the 26th November 1921, and lasts till 15th December 1921; and requests that an advance of Rs.4,500/- may be sanctioned to meet the expenditure.

2. The orders of 1802 of Dewan Purnian and of the year 1820 of His late Highness the Maharaja Krishnaraja Wodayar Bahadur III seem to show that the only articles that can be -- supplied by Government for the santarpane are rice, toyari bele, Uddina bele, Ghee, Gingelly Oil and Jaggery; and also ~~Sundry articles~~ cash -- to the extent of Rs.106-2-4 for the purchase of other sundry articles.

3. The cost of the quantities of these articles required by the Deputy Commissioner for the ensuing Santarpane amounts at the rates specified by him to Rs.2,748/- inclusive of the cost of 10 maunds of Sandalwood, etc., and the cash grant of Rs.136-2-4 for the purchase of sundries. Prima facie it is not obligatory on the Government to supply the other articles set forth in the Deputy Commissioner's estimate including Rs.834-4-0, for the purchase of Abhisheka articles, etc., which have apparently to be purchased by the temple or Matt authorities.

4. Government are, accordingly, pleased to sanction an advance of Rs.2,450/- for the Barahazar Santarpane and for feeding at the Bisle and Saklespur Chattrams, subject to adjustment in due course on submission of bills for the actual expenditure incurred. The Deputy Commissioner is at the same time requested to explain how Government are liable to supply the articles not specified in the orders referred to above.

5. The Deputy Commissioner and the Amildar of the Manjarabad Taluk are permitted to proceed to Subramanya, with the clerical and menial establishment, as particularized below:-

S i r,

I have the honor to acknowledge with thanks the receipt of Government Order No.2328-9/Muz.265-21-2 dated the 9th November 1931 regarding the Bara Hazar Santarpane of Subrahmanya.

2. I beg to submit herewith a copy of the Nirup of Late Dewan Purnaiya which is available in this office. According to this Nirup,not only rice,Thogaribele,Vuddina-bele,ghee,gingelly oil and jaggery are to be supplied but also the accessory articles that are necessary for the completion of the Santarpane. The Sannad says that the grant is for the Santarpane of Brahmanas and adds that, in addition to the quantities of articles mentioned, cash is to be given for leaves, leaf cups,vegetables, tamarind, salt,jeerige,Menasu,chillies, arishana, menthya, sasave, majjige,curds,fuel and all other articles required. I am not able to see from the records available here how the sum of Rs.834-4-0 stated in the Government Order is arrived at as the cost of Abhisheka articles. I believe that there is a mistake in the figure that the total really includes items such as fuel,milk,curds, vegetables and accessories required for the Santarpane and that the Abhisheka articles form only

only a small item in the total. I request that the papers in which this estimate of Rs.834-4-0 occurs may be kindly sent back to me for further scrutiny.

3. In my report of 13th May 1921, I have mentioned that the approximate cost of provisions comes to Rs.3000/- and that the cost of vegetables,firewood,etc., comes to Rs.600/-. Just as the prices of rice,thogaribele,vuddinabele,ghee,gingelly oil and jaggery that have been mentioned by name and quantity in the Nirup of Dewan Purnaiya have increased during the last century, the prices of the accessory articles such as fuel,milk and curds have also increased enormously and the cash grant that was considered enough in the days of Dewan Purnaiya will not suffice in these days,to purchase the requisite quantities of accessories for the number of people for whom the rice and dal have been provided. As the main object of the Nirup is to provide for the feeding of 12000 Brahmanas and as the feeding cannot be conducted merely with rice, thogaribele,vuddinabele,ghee,gingelly oil and jaggery and as it is absolutely essential to have the accessory articles in order to make the Santarpane complete, I beg to submit that all the articles that have been included in the list prepared by non-officials and sent by me may be sanctioned to be purchased at current rates and that the sanction may not be confined only to the major articles separately mentioned in Dewan Purnaiya's Nirup.

4. Any other course is likely to put us in a very awkward situation in Subrahmanya. I have indicated in my report of 13th May 1921 that the temple authorities are not subject to the control of the Government of Madras,that the temple authorities do not like altogether the manner in which the Government of Mysore supervises and restricts the feeding and that they would only be too glad to put the Mysore Government in a disgraceful position if they can do so without offending local public opinion. In fact it was mentioned to mem on the last occasion that if the Mysore Government would

would not pay for the function on the scale that was necessary, the temple authorities might even consider whether the Shasti feast should not be conducted by the temple itself with the help of other devotees not giving the credit of the occasion to the Mysore Government. It is desirable that with tactful and graceful arrangements we should avoid pushing matters to extremes when the temple authorities may, with the support of local public opinion, come to consider that their rights are more valuable than the gifts we make them.

5. I believe that the cost of Abhisheka is not really much. The Bara Hazar Santarpane is, as stated in my report of 13th May 1921, done on account of the Car festival and the Abhisheka is a part of the car festival. The temple authorities would have local public opinion on their side if when we refused to pay for the Abhisheka, the temple refused to give the credit of the function of the day to His Highness and gave it to other people. The cost of the Abhisheka is hitherto by mamul being borne by the Government of Mysore.

6. Considering all these circumstances, I would earnestly recommend that all the articles necessary for the Abhisheka as well as for the feeding of 12000 persons may be kindly sanctione as stated in my report of 13th May 1921. I would once again invite the attention of Government to the letter from the Secretary to the Government of Mysore to the Deputy Commissioner Hassan, No.1856/Muz.415-66-1 dated 25th January 1917 in which the following passage occurs " If the feeding cannot be so limited, are there any other expedients which will be acceptable to the body of pilgrims congregating?" The retrenchment has to be made consistently with the dignity of the occasion and of the donor and if only the major articles are to be given and not the accessories also which are necessary, namely, fuel, curds, milk, etc. and the materials for Abhisheka, the temple authorities are sure to create a dead lock and cause indelible

indelible disgrace for the representatives of the Mysore Government who have the misfortune to attend the function.

7, I request that very early orders may kindly be issued on this report. As per paras 4 and 5 of the Government Order of 9th November 1921 which appears to permit expenditure pending report, the Abhisheka articles and the accessory Santarpane articles will also be purchased,as otherwise,the Santarpane cannot be conducted.

I have the honour to be,

S i r,

Your most obedient servant,

B Venkoba Rao

Deputy Commissioner,
Hassan District.

O.No. 2018

Camp Saklespur, 11 22
6th November 1921. mu2

Dear Mr.Jayarama Iyer,

The Bara Hazar Santarpane of Subrahmanya is coming off in about a fortnight. I have made an official communication to you asking for the usual advance. I shall feel myself much obliged if you will kindly communicate your sanction by wire if possible, as it is difficult to take the large quantity of provisions required in Subrahmanya which is more or less inaccessable unless an advance is placed in the hands of those who have to make arrangements.

2. I request you to kindly obtain the approval of Government for the proposals I made with regard to the Bara Hazar Santarpane at Subrahmanya.

3. An early decision will be welcome as it can then be announced and put into effect at Subrahmanya this year.

Yours sincerely,

B Venkobha Rao
